WANT TO KNOW MORE ABOUT THE CERVICAL CANCER SCREENING PROGRAM?

You have just had an information session with your midwife. Below you will find three reliable websites with clear explanations.

RIVM | Government information

What is the screening program, how does it work, and why is it important?

Steffie | Explanation in simple language

Step-by-step, with images and spoken explanations. Handy if you prefer not to read a lot of text.

Self-Sampling Kit | After your pregnancy

Order the free Self-Sampling Kit to participate in the screening program. You will need your DigiD for this.

No DigiD or no internet? Call Bevolkingsonderzoek Nederland for free: 0800 - 5010. They can also order the self-sampling kit for you.

Questions? Your midwife will be happy to help you.
